RE – **BRW Top 500 Private Companies**

---

Dear Staff, Drivers and Valued Customers,

Congratulations to everyone within the Kings Family on positioning ourselves at Number 408 in this years BRW Top 500 Private Companies List.

This achievement is tremendously satisfying and something that everyone within our Group should be extremely proud of. To put this into context our business grew by 11% last financial year. The average performance of all Top 500 companies during the year was a decline in revenue of 3.2%. We are clearly heading in the right direction and our recent acquisition of Blue Circle will only strengthen our position on this prestigious list.

For a number of years the senior management team has been striving to capture the Number 1 position on this list when compared to our traditional Metropolitan Transport and Logistics rivals. The icing on the cake this year is to have reached the number 1 position after a stellar year for growth, despite the GFC.

I encourage you all to review the current edition of the BRW to gain an understanding of the size of our Group compared to other high profile businesses.

Congratulations once again to everyone within our Group. This independent recognition of our performance and growth is a just reward for all the hard work and dedication shown by all staff and drivers.

Yours Faithfully

Scott Peacock  
Managing Director
